OUR MISSION

With engaged text and beautiful photography, each issue of *Design New England* inspires and informs our readers by presenting the best in interior design, architecture, landscape design, products, materials, and techniques. We highlight the design professionals behind the stunning projects we feature and explain how they help make their clients' dreams a reality. Our coverage includes renovations and new construction in a wide range of styles, from contemporary to traditional to eclectic, in locations all over New England. Our goal is to educate readers and bring awareness of the value of design in their everyday lives.

As a subscriber to *Design New England*, I find myself practically running to my mailbox, just hoping for the next issue to arrive. As a frequent advertiser, I am consistently impressed with the impeccable service and honest attention I receive from everyone on your team. Every person has been professional, friendly, reliable, and flexible ... attributes I believe contribute to the success of our collaborations. Thank you so very much for all that you and your team have done to help me build and promote my practice, and for continuously reinforcing the importance of residential landscape architecture here in New England!

In just three months, we have seen a return on our investment. The calls we received from our ad resulted in new business, especially in our target market. Thank you, *Design New England* magazine, for helping us grow our business!

— CHRIS YERKES
PRESIDENT, CEDARWORKS, INC.

Design New England magazine and its team have been a valuable partner for our growth and marketing efforts. The magazine exhibits the same craft and design quality to which we aspire with our work and which we believe attracts the same valuable clients.

FBN's relationship goes back many years now. As the magazine's influence has grown in our marketplace so have we. The team at *DNE* has always been helpful and creative in meeting our needs and goals when it comes to outreach and visibility. Thank you all at *Design New England*.

— BOB ERNST
FBN CONSTRUCTION

Design New England listened to our goals and created a program that fit perfectly into our marketing plan and delivered results. The Design Salon co-hosted by *Design New England* was an opportunity to showcase California Closets flagship Brighton showroom after a floor-to-ceiling overhaul of the 4,500-square-foot retail space and re-introduce our brand, new products, and new business opportunities to the trade.

In 2014 California Closets New England grew by 30% thanks in large part to the launch of our Trade Partner Program, which was announced at the well-attended Salon.
